

2016-17 Staff Planning and Development Days
Covenant Christian School

May 19th School based PD Day

PD Goal:

Increase the understanding and working knowledge that our teachers have of PowerTeacher Pro, as we implement in the Fall of 2017.

Continue to focus on the “Zones of Regulation” and plan for further implementation in the Fall of 2017.

What data are you using to focus on this goal?

The need to be proficient in PowerTeacher Pro.

Feedback from our teachers as to their desire to incorporate the “Zones of Regulation” in their classes.

PD Activit(y)ies:

PowerTeacher Pro Presentation by Terri R.
“Sandbox” time for teachers to use this new tool.

Planning and preparation in the areas of Junior High CTF, as well as “Zones of Regulation” planning.

Division Alignment:

- Parental communication / engagement
- Safe and caring environment
- Student achievement
- Teacher efficacy
- Wellness

Success Indicators:

Teachers will deepen their knowledge and understanding of PowerTeacher Pro.

Teachers will deepen their knowledge and understanding of the “Zones of Regulation” and be able to effectively incorporate lessons in their classroom.
