

KINDERGARTEN NEWSLETTER

JUNE 2017

Dear Parents,

Wow! We are in our last month of Kindergarten! In so many ways this school year seems to have gone by so quickly. Looking back we can celebrate so much progress, both as a whole class and as individual students.

This past month and into June we are discovering so many interesting things about Frogs and Insects. To finish off the year we will be learning about some of the cool animals that live naturally in Africa. As with our other units we will continue to see God's handiwork and celebrate what an awesome Creator our God is.

This month we will work through Psalm 100 during our Bible time, illustrating a booklet, coming up with actions, and memorizing the whole Psalm. In gym we will introduce some track and field activities as well as continue with team play.

I encourage you to follow the Chronicle for special days coming up this month.

June 1st: Class Pictures in the afternoon

Friday, June 23rd: This is our last day of kindergarten. Both kindergarten classes will be spending this day at the Valley Zoo. All parents are invited to come along and are **expected** to drive their child (or carpool with other students and their parents) to the zoo. We do not use the bus for this field trip. Younger siblings are welcome to come along as well. I will send a form home in the next week or two. If you are not able to make it to the zoo, please find a grandparent or other responsible relative or friend to accompany your child.

June 27th: Kindergarten parents usually do a clean up at the end of the school year. We would like to plan a clean up day for Tuesday, June 27 beginning at 9:00am. With lots of help we can be finished in a couple of hours. You can bring your child and cleaning supplies will be provided.

Heather, Loes and Shannon
