- Guidelines for Meeting – reviewed by Cindy
    - Meetings are topical – keep to agenda but please send requests for topics for future meetings to council members
    - James 1:19-21

- Meeting topic: Education Vision Statement, presented by Rachelle McIvor from LSCE; handout provided, available on website; originally based on document "Our World Belongs to God" from CRC in 1986

  Question about how would changes be made if this became necessary? Lengthy process, as it is incorporated into LSCE bylaws as well as agreements with BGSD

- Update on new CCS Families – Still waiting on families to fill out verification form for permission to contact new families, once complete, executive from school council will reach out

- Christmas Staff Wrapping planned for December 14 at 9:00am, please come join to help.

- Christmas Classroom Blessings: idea is to find ways to bless classrooms at Christmas time, looking for gift ideas and process to do this. Considering asking staff to make wish lists for things their classroom would benefit from (eg. Boardgames for indoor recess, books, etc.) Input will be sought from teachers.

- Council Survey Results – 34 respondents filled it out, slightly greater interest in evening meetings vs daytime, other results reviewed.

- Council executive reported attending meeting with other school council executives for BGSD, discussed calendar, emergency responses, short discussion about AI

- Principal Report – see attached

- Questions/Comments (Pertaining to Agenda or School Council)

- Next School Council Meeting: Tuesday, November 24, 2026 @ 7:00pm

- Closing Prayer (Cindy)
