Covenant Christian is a school of choice. Black Gold School Division will provide busing to our school provided you are within their designated boundary and for the school of choice fee. Read below for details. If you have questions about busing or are unsure of which busing region you live in, please contact the CCS Transportation Coordinator.

- **City of Leduc & County of Leduc within the Black Gold School Division (BGSD) boundary:** If you live within the Leduc boundary, BGSD will provide bus transportation from your home bus stop to the designated transfer point at Ecole Leduc Junior High School. From there, students will transfer to Covenant Christian School. Please note that transportation may not be available in all cases.
- You must submit a transportation application online, for instructions please visit <https://www.blackgold.ca/busing-applications>.
