

Principal Report

1. CCS Olympics is now over. It was a great Community - Building event for the staff and students. Not only were students able to celebrate the different sporting events, but they were able to make connections with other staff and students they do not normally get to be around. We are looking forward to Beijing in 2022!
2. The Healthy Lunch symposium that we had organized with BGRD has now been cancelled due to lack of interest. We had approached about a dozen potential families in regards to the event and nobody had RSVP'd causing the presenters to cancel. Despite the lack of response, we will look into booking other presenters in the future.
3. CCS' Grade 8 Spring drama production "Fiddler on the Roof (Jr) is almost here. Set in the little village of Anatevka, the story centres on Tevye, a poor milkman, and his wife and daughters. With the help of a colourful and tight-knit Jewish community, Tevye tries to protect his daughters and instill them with traditional values in the face of changing social mores and the growing tension of Czarist Russia. Along with the Grade 8 cast, the production will include a choir of 85 grade 4-6 voices who will bring the play to life with familiar songs from the Broadway smash hit. We will have two shows on March 22nd, a 12:30 matinee and a 7 PM evening performance.
4. As this is my first year as Principal, I have an evaluation that I am currently going through. A piece of this evaluation comes from you, the parent council! I will be emailing you all a link that will take you to the evaluation. In it, there is both rating scale, and open ended questions. Respondents must type in their full name or their response will be void. We are hoping to have all responses in by mid-March.
5. On Wednesday, February 21st, I attended the Council of School Councils at the McLab, along with Rachelle. It was a great meeting where we spoke of the positives and challenges of international travel, as well as answered a questionnaire regarding BGRD. It was an informative, interactive and interesting evening. I suggest anyone who is interested attend next year!
