

## **October 13th School based PD Day (Professional and Support Staff)**

PD Goal:

- Professional Practice:
  - Develop Tft Unit Plans with an understanding of what is expected within the unit and around the classroom
  - Curriculum planning using Tft, Throughlines, FLEx activities and Storyline
  - Individual Student Planning
- Social-Emotional Learning
  - Wide variety of Mental Wellness activities to model and scaffold for our staff.
  - Reflection and Check in on how we are doing in our proverbial boat.

What data are you using to focus on this goal?

- Students benefit from targeted Tft units that encompass all strands of the model. Teachers unit plans will have these embedded within each year, unit, and lesson.
- Students have been out of class for five months prior to the re-entry. Many sources cite the need for student Social-Emotional support. This is part of the school's Mental Health Plan and follows the suggestions from one of the guiding documents from NACTATR.

PD Activit(y)ies:

- Teachers will work collaboratively and independently to:
  - Develop and finalize a Tft unit
  - Work through their PGP's
  - Develop and begin Individualised Support Plans for targeted students
  - Work through a variety of mental wellness support activities that can be used within the classroom.
