## Our Learning

Happy New Year to you all! I hope that you had a restful and enjoyable break with family and friends. I am looking forward to being with your children again next week and to a month of learning.

We will begin the New Year with a short unit on learning about the changes that come with Winter. After that we will begin a unit called Discovering Dinosaurs. The through line we will use during this unit is God Worshipping. It is my hope that the kids will be wonderstruck at the awesomeness of our Creator as we explore many different kinds of dinosaurs. We will spend time

reading books, watching videos and doing activities to learn about these different dinosaurs

In our language learning we will focus on initial sounds in words and what our mouths are doing as we make different sounds. The program we use is called Empowered Beginnings and it gives the kids another way to try to remember the different sounds of the alphabet. We will continue to use the program

Super Phonics to help your child remember these sounds and be able to recognize beginning, middle and end sounds. You are welcome to use this program at home with your child as the more time they spend with this the better recall they will have. Here is the link <https://online.essentialskills.com/login.php> with the school code being CC891580 and then the class is 'Luchak', user name is your child's name and there is no password.

In math we will look at sorting and the rules we use to sort different objects (colour, shape, size). We will continue to work with our numbers 1-10.

Just a reminder that students will go outside for recess unless the weather is really, really cold. Please make sure that your child is dressed for the weather. The temperature with a wind factor is generally colder on our playground than in town.

Heather Luchak

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		Winter 5		Winter 7	No School 8	
		Bentley Winter 12		Rylee Dinosaurs 14	Ella & Cole Dinosaurs 15	
		Bristol Dinosaurs 19		Parker Dinosaurs 21	No School 22	
		Connor Dinosaurs 26		Amelia Dinosaurs 28	PD-No School 29
