SCHOOL RE-ENTRY PLAN

On June 10, 2020, the Alberta government announced their Re-entry Plan for the 2020-21 school year to allow schools and parents to prepare for learning while putting student and staff safety first. The Alberta government's Scenario 1 is the preferred and likely plan where students return to daily in-school classes in September (near normal with health measures).

Black Gold School Division, has been planning our [BGSD 2020-2021 Re-Entry Plan](#) for September 2020.

By August 1, 2020, the government will share its final decision on which scenario will be in place at the beginning of the school year. Highlights and details of the [Alberta government's Re-entry Plan](#) are available on their website.

REGISTRATION OF NEW STUDENTS & RETURNING STUDENTS

All new families are to register their child(ren) online via Black Gold Registration Form which is available on the Black Gold School Division website at: [New Student Registration](#). As an alternative program, CCS also has some additional requirements. These can be found [here](#).

New registrations will be confirmed after a new family interview. The next date for these interviews will be August 28th, 2020. The office will call you to set up a suitable time with your family.

Students who were registered in Black Gold School Division in 2019-2020 and are returning to a Black Gold School in 2020-2021, should NOT complete a new student registration form. Instead, they could complete an online Student Enrolment Verification Form, through their [PowerSchool Parent Portal](#). The form will be available prior to September 1, 2020.

CONFIRMATION OF ATTENDING IN-SCHOOL CLASSES OR LEARNING AT HOME

By August 1st, the Alberta government will share its final decision on which Scenario is in place for

September. If Scenario 1 or 2 is implemented, parents will be asked to declare whether their child(ren) will be returning to in-school classes or learning at home.

BGSD will then distribute via SchoolMessenger, a Google form for parents to indicate their decision for each child. Parents who choose to keep their children out of classes will be able to transition them back into regularly scheduled classes at various designated times during the year.
