I. Devotion

Shauna shared a devotion called “God Rebuilds from the Rubble” Psalm 147:2-3.

II. Adoption of the minutes from March School Council meeting

III. Principal’s Report (attached)

- Very busy month – covid and other things
- At worst 5 cases active and 116 students in isolation.
- Because we were in outbreak AHS toured the school, but had little we had to change. We saw no in school transmission.
- Have had challenges securing substitutes.
- Black Gold applied for the students to go to online for two weeks, but were denied the request.
- Purchased lights and sound equipment for filming the drama program.
- Draft curriculum – some good improvements, a lot of age inappropriate items, focus on memorization rather than creative thinking. Black Gold voted against the piloting the draft.
- Purchased some new Bible curriculum to ensure the students have a stronger theology. Currently a grade 1 to 4 revamp.

IV. Staff Appreciation

- Went well.
- Grateful to PR for managing the week of treats for the staff.

V. Next & Final Meeting for the year

Wednesday May 26th via Zoom at 9 am.
