- 12- Sean Yosef
- 27- Sam

Grade 1G News

February

Learning Focus

LA– We will continue to practice our sounds, but also using heart words (sight words) to write sentences. We are continuing to use our “Brain Pockets” to help us with our writing. We are using our memory pocket to help us write this month! We will also continue with our literacy centers practicing our literacy skills.

Heart words this month: are, said, has, was, as, have, love, of, could, should, would

MATH– In Math we are continuing to discover order in numbers in God’s world through addition and subtraction.

Exploration– Social– We are looking at our community this month and will also discover landmarks in our community.

Science– We will discover how we can be builders and learn different techniques to help us. We will have some building afternoons on the 17th and 22nd. Please look out for a sign-up sheet in the email to come and help those days. If you have any recyclable materials that we could use for building please bring them into the class as well before the 17th! On the morning of the 17th we will take a bus tour around Leduc to see some different landmarks in our community. If you would like to join us please let me know!

Bible– We are continuing to look at the Lord’s Prayer and make it more meaningful and understandable to us!

Valentine’s Day– If you would like to send Valentine’s on the 14th you are more than welcome. Here are the students in our class:

Maksim, Bianca, Zard, Heidi, Sean Yosef, Lucas, Isla, Brandtly, Colby, Easton, Daniella, Brody, Finya, Quinton, Finn, Sam, Artem

Important Dates

Library– Wednesday’s

Celebration– Thursday’s (You are welcome to come and join)

3– 90’s Dress Up Day

9-10– ATA Teacher’s Convention– No School

14– Valentine’s Day

17– Landmarks Field Trip and Building

20-21– Family Day and PD Day– No School

22– Landmark Building

23– 100th Day and Student Led Conferences from 4:00-7:30

A Note from Mrs. Glesman

Please continue to practice reading with your child at home! This is an important skill and so helpful for your child!

Please leave toys at home or if they are brought for the bus they need to stay in your child’s backpacks. We have had an influx of toys in the classroom that are becoming distractions or getting lost. If your child is bringing something for the bus just remind them it needs to stay in their bags. Thank you for your extra input on this matter!
