

Mrs. Koopmans'

Grade One

FOR the Month of
FEBRUARY

NEWS

Hot Topics This Month

ELA: We are continuing writing from our 'memory pocket' this month during our Daily 5 time, along with listening to reading and word work.

Heart Words: are, said, has, was, as, have, love, of, could, should, would

Math: We are continuing to learn about order in God's world through addition and subtraction.

Science: This month is a fun month for science. Students will put their building skills to the test and learn how to build different landmarks around Leduc. We have two building landmark afternoons we need lots of parent volunteers for on Feb 17th and 22nd.

Also, **please send any recyclable materials to school with your child in order for this to be a success.**

Lastly, we will be going on a bus tour around Leduc to visit the landmarks on the 17th. **If you'd like to join us, let me know!**

Bible: We are continuing to look at the Lord's Prayer and make it more meaningful and understandable to us.

Special Dates

90's Day- Feb. 3

Teachers Convention- Feb 9-10

Valentine's day- Feb 14

Landmark Tour- Feb 17
