

Greetings and welcome to February in 3J!

This month we will focus on “gifts” in 3J. What does it mean to use our gifts for God? What does it mean to give to those who “cannot repay?” (Luke 14:14). What would you give up for “treasure in heaven?” (Matthew 19:21). If you wish to contribute to our valentines celebrations please remember, we are a nut free classroom. Break out the neon or denim because this Friday is “90’s Day!” Finally, 3J will be hosting the Division 1 LEGO club on Tuesdays at lunch for the month of February.

SOCIAL STUDIES: As we continue to study communities in the world, 3J has begun asking the question, “what does it mean to be a global citizen?” As our school is getting a new playground this summer, we are hoping to support new friends in Belize to get theirs. Concepcion School in Belize needs \$4500 to complete the funding for their new playground. Rocky Christian School is planning a mission to help build the fencing for the park and has agreed to share their experience with us. With the help of Our class will partner with [EduDeo Ministries](#), our class is currently writing letters to Belize asking them questions and brainstorming how we can help raise funds. [Click Here for a video showing the results of who grade three supported last year in Zambia.](#)

SCIENCE: Students have begun looking at bridge designs and are currently trying to “span the gap” with a truss popsicle design. Architect Jaco Erwee will join us via Google Meets on Thursday to talk about all of the amazing Order-Discovering an architect does.

ELA: Students are midway through [a stranger at home](#) As we explore non-fiction with our Novel study, we are focussing on fiction with our writing as students are working to create their own “fractured fairy tale” based on a traditional folk or fairy tale of their choosing.

MATH: We will continue practicing multiplication and division as we move into measurement and geometry this month. Students have been using Geo boards to determine the perimeter of polygons.

Yours in faith,
-Mr. J
