Looking ahead to March...

12 Daylight Savings Time Begins // 13 PD Day // 17 St. Patrick's Day // 20 First Day of Spring // 25-April 2 Spring Break

This month in 2W

LANGUAGE ARTS

We are continuing to read Eve of the Emperor Penguin. The "Quick Draw" strategy has been great in helping us to remember the details of the story. Students are also really enjoying researching all about our black and white feathered friends.

Continue to have your child read at home to further increase their comprehension and fluency skills!

MATH

We are continuing to learn about strategies to help with addition and subtraction up to 18. Please continue to practice at home as well. Even simple games like Go Fish and counting money can be a big help! Soon, we will begin to learn some concepts in geometry.

SOCIAL STUDIES

Nunavut is truly a beautiful gem in Canada's north! We will continue to explore it this month.

SCIENCE

Temperatures effect so many aspects of our lives! Students have loved being Order-Discoverers in this unit. We will soon wrap things up and move on to a unit on Magnetism!

BIBLE

Jesus taught us many amazing truths and while He was on this earth, He also performed many miracles. This month our class will learn more about these wonderful acts of healing that Jesus did to show people the love of the Father.

The memory verse is: Psalm 77:14.

Quiz day is: Tuesday, February 28th

The Month of LOVE

As we step into February, I find myself reflecting on God's grace and love. He loves us so much that He paid the ultimate price, sacrificing His Son, so that we may truly know His love and have full life in Him. In my mind, this month should be all about remembering the love that God has shown to us through His Son, Jesus Christ!

Parent Helpers

We love it when parents come help out in our class. I've added some Wednesday afternoons to the February Sign-Up!

<https://signup.com/go/iDpUiys>

Valentine's Day

This is a perfect day to celebrate love and kindness! Students are encouraged to bring words of kindness for each student in the class

Click here for the class list:

<https://tinyurl.com/gr2classlist>

Students may bring a small treat to share as well and we will have a little celebration in the afternoon.

90s Day and 100th Day!

On the 90th day of school, students are welcome to dress up like a blast from the past: the 1990s!

The 100th day of school students may come to school as their best version of a 100-year-old person! I would also like to invite students to bring 100 of any item of their choosing (for example: cheerios, pompoms, beads...)

Student-Led Conferences

This is an evening to celebrate your child's learning as they show you a variety of skills, games and activities they have been working on. Drop by the school anytime between 4:00 and 7:30 on Thursday the 23rd!
