

Everything is Awesome!

(when you join LEGO® CLUB)

Calling all grade 1-3 builders!

February is the month for you to get your brick on! While there's only one true "Master Builder," you can still be like Emmet Brickowski. Everything is cool when you're part of a team. **Come on down to 3J Tuesdays at lunch recess.**

Please note: A Grade 4-6 club will start in

March. If you are a junior high student wishing to help out, talk to Mr. J.
