

## KINDERGARTEN NEWSLETTER

### MARCH 2024

Happy March! This month seems to come up quickly.

We will begin by completing our unit on Transportation. Our conversation will continue to include how we can be Earth Keepers. Where does our stuff come from and, do we really need all of our stuff? We will then focus on a unit on Nursery Rhymes and have some fun creating some rhymes of our own. We will be 'Beauty Creators' realizing the beauty in language with rhythm and rhyme and how we can use words to create something beautiful. Recognizing beginning and ending sounds is also a big part of this unit. We will add a few Fairy tales in this unit as well.

In other areas of learning...in math we will finish up measurement and start a unit on patterns. In our Early Literacy learning we will continue to focus on the sounds the letters make and how those sounds are formed in our mouths, and on printing. In gym we will start a skipping unit and continue to discover other equipment we have in the gym. In Bible we will finish up the stories in the Old Testament and begin stories of Jesus' life on earth. We will skip ahead a bit to the stories around Good Friday and Easter.

**Monday, March 11** is a PD Day. Spring Break is the last week of March. We have two Fridays of class this month.

We will be saying goodbye to Mrs. Blackwood and hello to Mrs. Anderton as she joins our class this month. Jenny is a familiar face to many of you as she is our playschool teacher.

It has been a real pleasure to see how the students in this class are discovering the joy of learning and how they are discovering God's fingerprints everywhere. We continue to covet your prayers and support, especially in the next couple of weeks as I evaluate and write up report cards. Your encouragement is a blessing!

Just a reminder to send splash pants or continue with snow pants so that your child will be able to have dry pants when they come inside from recess.

Alice, Shannon and Jenny
