

## Grade 1G News

April

### Learning Focus

**LA**— We are going to discover how sounds are used to read longer words. We will also continue our writing unit and talking about the different things that make great writers. We are working on making our writing more interesting by adding details and creating plans to help us write! We will also continue our unit on Non-Fiction writing and researching different animals in God's creation. Please continue practice your heart words at home. The more practice we have with them the more familiar they become!

**Heart Words:** the, I, a, said, to, do, of, see, he, be, me, from, look, book, are, was, you, what, have, your, want, go, no, so, goes, says, she, we, they, their, were, talk, walk, could, would, should, or, for, there, where, who, by, my, one, once, two, does, many, any, been, into, friend, because, pretty, nothing, people, other, another, mother, brother, today, very

**MATH**- We are going to continue to use our strategies we have learned to explore bigger numbers and patterns in our unit of Addition to 20 and Subtraction to 20 and be order discoverers!

**Exploration**— Science— We will be discovering changes in Spring! We will also be starting our unit on Needs of Plants and Animals!

Social— We be having a field trip on **Friday, April 26th** to tour and give thank you letters to different places in our Community. Forms are on PowerSchool and please let me know if you would like to join us that day!

**Bible**— We are going to start our unit on The Fruit of the Spirit!

### Important Dates

Library— Wednesday's

Celebration— Wednesday's (You are welcome to come and join)

See the Calendar attached for all the special days in April!

### A Note from Mrs. Glesman

The grade ones have started their research project on an animal that interests them. They have been doing so amazing reading and listening to books on their animal and gathering information! I am so proud of how well the students have become researchers and I am excited to see them use their information for our next writing project!

Please continue to practice reading, sounds, and heart words at home. The grade ones have grown so much in their reading and understanding of sounds and words, but it is important to have that continued practice at home as well so they can grown even more!

We will be having a field trip of a tour of Leduc with a special stop at the Grain Elevator and also at Telford Lake. The grain elevator tour has no cost, but does accept donations. If you are interested in donating to our tour please let me know!

Have a great rest of the month! Keep shining your light!
