

Greetings and welcome to JUNE!

Wow! Things are green and summer break is on the horizon! But, we are not done yet. June is a month with so much excitement for year-end activities and anticipation for the summer break; please remind students to keep their eye on the prize in the classroom; completing final projects, listening, following instructions, remaining steadfast and positive in Christ. We are not out of the wilderness yet!

PE: We would like to start baseball this week. Please send baseball gloves if you have them.

ELA: We are completing spelling list 93 this week. This is the "aw" sound. [You can find practice words here!](#)

MATH: We are reviewing math concepts for the year. [This site is great for practicing all of the concepts.](#)

TRACK AND FIELD: Congratulations to all of our students for their effort on Track and Field day. Special congratulations to Isaac, Axll, James, Jacob, and Adelaide! These five students have earned a place on the CCS track team, set to compete in the district finals on June 7th at Riverview Middle School in Devon. They will be transported by bus in the morning. Parents are welcome to watch the event. If you are a parent of one of these children, please fill the form on Powerschool and pay the \$5 registration/bus fee.

FIELD TRIPS: We will be heading to the zoo on Monday June 10th. Students will need a bagged lunch, hat, and sunscreen. We could still use a couple more volunteers, please send me an email if you are interested in joining. Lastly, we will make our annual visit to the Millet Spray Park on June 24th. Please have sunscreen, hat, sandals or water shoes with a swimsuit and/or change of clothes for this day. Water guns will not be permitted at this event.

DRUMHELLER: Thank you to everyone for making Drumheller a memorable experience. If you have any photos to share. There is a [Google Drive folder here](#).
